

Brakleen®

Brake Parts Cleaner

PRO SERIES

→ Larger cans with increased fill weights

Use fewer cans in the shop resulting in less recycling and a reduced carbon footprint.

→ Enhanced formulas for maximum cleaning power

We couldn't do much to improve the #1 selling original formula, but you get 10 more net wt. ounce in the PRO SERIES. Plus, our chemists maxed-out performance on the rest of our formulas for increased cleaning power like never before.

→ PowerJet™ actuators on every can

Stronger mechanical power from the nozzle breaks down brake grease and dust with more force.
