

PHASE 4 GUARD 4

STOR & GO™

THE ULTIMATE STABILIZER & ETHANOL FUEL TREATMENT

Ethanol blended gasoline accounts for nearly 90% of all fuel sold in the North America. Proven to break down, ethanol attracts moisture which leads to corrosion in the fuel tank. Use CRC PhaseGuard4 Stor & Go Fuel Stabilizer & Ethanol Fuel Treatment regularly in-season and during storage to protect all 2- and 4- cycle vehicles and equipment from the damaging effects of ethanol in gasoline.

4-in-1 FORMULA - THE ULTIMATE PROTECTION & PERFORMANCE

- Maximum Corrosion Protection
- Cleans Entire Fuel System
- Stabilizes Fuel in Storage & In Use
- Restores Power & MPG

Use to:

- Prevent phase separation
- Stabilize fuel 12+ months for long-term storage
- Protect against corrosion
- Restore power and mileage potential
- Clean the entire fuel system
- Equally effective in E10 to E85 fuel

Fight Back Againsts Ethanol Fuel With The MAXIMUM CORROSION PROTECTION AVAILABLE!

Laboratory testing proves PhaseGuard4 Stor & Go provides better water removal capability (per modified ASTM D 1401) and better corrosion protection (per ASTM D665) than other leading ethanol fuel treatments.

In-Use: 30 ml treats 38 L of fuel
Storage up to 24 months: 30 ml treats 19 L of fuel

474 mL treats up to 605 Litres
237 mL treats up to 303 Litres

74142 474 mL bottle 12/case
75141 237 mL bottle 12/case
