

# RUST REMOVER

## RUST REMOVER

**Fast acting formula  
removes rust, not metal**

A safe, effective, fast acting formula. Removes rust, not metal. No sand blasting or heavy wire brushing required. Leaves metal clean and ready to paint, plate or powder coat.

- Removes rust quickly
- Non-corrosive - safe on all metals
- Safe acid technology - not harmful to skin
- Non-flammable
- No heavy fumes or bad odours
- Low VOC

**Ideal for tools, engine components,  
machine parts, fasteners, etc.**
