

SensorKleen™ / Throttle Body Kleen™

MAF & Throttle Body Single-Use

Performance Twin Pack

CRC Mass Air Flow Sensor Cleaner & Throttle Body / Air-Intake Cleaner removes gum and varnish from throttle valves, throttle body, sensors, rubber O-rings and painted parts for easier starting and smoother engine performance. Designed with advanced Cozol® Technology. Increases horsepower & improves air / fuel ration and MPG.

SensorKleen™

- The original MAF sensor cleaner
- Removes all road-type soils
- Safely cleans and protects MAF sensors
- Dyno proven to increase horsepower and improve air / fuel ratio
- Reduces rough idle, hesitation and ping
- Improves engine performance and fuel mileage
- Plastic safe, leaves no residue

Part # 75110

312 g aerosol 12/cs

Throttle Body Kleen™

- Cleans air-intakes, throttle valves, throttle bodies and linkages on fuel-injected gasoline engines (both throttle body and multi-port)
- Removes gum and varnish from throttle valves and throttle body
- Easier starting and smoother engine performance
- Safe for use on coated throttle bodies
- Low VOC formula

Part # 75078

340 g aerosol 12/cs

Performance Twin Pack

(MAF & Throttle Body Single-Use)

Part # 75028

270 g aerosol 6 kits/cs

CRC CANADA CO.

CRC Industries is a worldwide leader in the production of specialty chemicals for the DIY and maintenance professional, serving the automotive, marine, hardware, electrical, industrial, and aviation markets. CRC is ISO 9001:2008 certified and adheres to the strictest guidelines for quality in all facets of research, development, and production.
