Brākleen® Original Non-Flammable

The original Brakleen®, our premium strength formula! Chlorinated formula quickly removes brake dust, brake fluid, grease and other contaminants from all types of brake systems, including ABS. Cleans fast and dries faster!

75089	539 g aerosol	12/case
75090	3.785 L bottle	4/case
75091	19 L pail	1/case
05093	208 L drum	1/case

Brākleen® Premium Non-Chlorinated

The best non-chlorinated, low VOC product on the market. Powerful formula quickly removes brake fluid, grease, oil, and other contaminants from all brake related parts. Safe for ABS, disc and drum brakes.

75088	397 g aerosol	12/case
75086	19 L pail	1/case
75087	208 L drum	1/case

Very flammable. Do not apply while equipment is energized.

Brākleen® Brake Parts Cleaner

Beginning in 1971 with industry leading Brakleen®, the original aerosol brake parts cleaner, CRC has earned its reputation as “The Brake Experts”. Brakleen® was the very first product of its kind.

For almost 40 years, thousands of professional automotive technicians and DIY’ers have relied on CRC for fast and effective solutions to all brake servicing problems.

CRC has expanded its brake maintenance product offering to meet the needs of today’s technicians. Innovative technology, dedication to superior performance, regulatory compliance and safety have make Brakleen® number one.

Brākleen® Premium Non-Chlorinated with Power Jet™ Technology

The strongest Non-Chlorinated formula available with Power Jet™ Technology. Spray nozzle produces a burst of product that forcefully breaks away contaminants, while the formula cleans and degreases instantly. Faster work, requiring less product per job. Ergonomically designed Power Jet™ spray nozzle is easier to press, giving the user a quick, precise shot of product where needed.

75050	397 g aerosol	12/case
75055	19 L pail	1/case

Very flammable. Do not apply while equipment is energized.
